DEDICATION

With love and gratitude to one

Whose never-ending devotion and unselfish service have been our inspiration throughout the years -

Who in every phase of our nursing training has stood by us in sickness and health -

Who has shown unfaultering love and faith in us,

We lovingly dedicate this edition of Cap and Pin to our own

MISS NAOMI MOORE

DEDICATION

This American woman, a noble nurse, was born in the city of Hickory, North Carolina on December 5, 1885. At a young age Miss Moore left her home and friends to take nurse's training at Nebraska State Hospital in Omaha, Nebraska.

She soon began administering to the needs of the public in Philadelphia, Pennsylvania. For nine months there, she strived to help those in need through public health nursing.

Caring for individuals as a private duty nurse was a big responsibility which Miss Moore under took during the years 1909-1917. Her love for nursing, however, extended further than this, for the public was her primary concern. No matter how long and how hard a day's work had been, she always found time to go beyond the call of duty.

Two years were spent as Cannon Mills Industrial Nurse from 1917 to 1919. Then, she returned to public health nursing in Redding, California as a Shasta County Red Cross Nurse. In 1922-1927 Miss Moore's experience continued to be of extreme usefulness during the time she was employed with the Tumboldt County Public Health Department in Arcata, California.

On her return to our community, testing children for tuberculosis during the months of summer vacation was one of Miss Moore's greatest sacrifices during her nursing career. The Tuberculosis Clinic, held in Sunderland Hall, which belonged to the Mission Board of the Northern Presbyterian Church, was established in order to take care of children who could not be sent to the State Sanitorium at Aberdeen for study. This was a joint project of the Cabarrus County Tuberculosis Association and the Cabarrus County Chapter of the American Red Cross.

Much of Miss Moore's time during approximately five years was spent helping to provide proper care and food for these children. She spent weeks teaching them health habits in order that their bodies would perhaps resist the infection.

From her first little office and the work that was accomplished at Sunderland Hall, to the car she drove from house to house, Miss Moore did her part in helping to raise the profession of nursing to the high place it holds today.

This year 1960 finds Miss Moore still active in her profession, serving as Student Health Director at Cabarrus Memorial Hospital, Concord, North Carolina. For more than 14 years, she has been the student's Florence Nightingale.

TRIBUTE

"Coming together is a beginning, keeping together is progress, working together is success".

Because of her leadership, interest, encouragement and concern - we the Senior Class of 1960 extend this tribute to our beloved class sponsor and true friend . . . . .

HANDS OF SERVICE

These hands are hands of service
As we go about each day,
Lifting up the fallen,
Helping the wanderer find his way.

These hands are hands of service
As we go upon the hall,
Helping those of God's children,
Listening for their every call.

These hands are hands of service,
And I never shall forget,
The wonders of a new born babe -
I do not cease to marvel yet.

These hands are hands of service,
But no matter how hard we tried,
With God's help, some patients got well,
And by His will, some died.

These hands are hands of service.
Oh, may they, Lord, I pray,
Be ever serving others,
And leading them in Thy way.

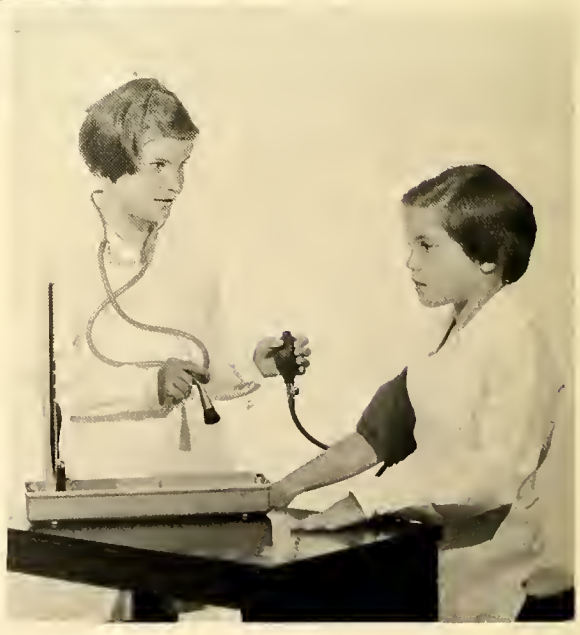
MASCOTS



THE 1960 CLASS HISTORY

Excitement reigned on September 2, 1957, as 36 bright-eyed, enthusiastic young women loaded with luggage and stuffed animals struggled through the doors of East Nurses Home with an eye toward a future modeled after Florence Nightingale. An active routine of study and social events helped us to become acquainted quickly. Two traditional parties were given the first week - a watermelon feast by the B.P.W. and a hamburger party at Buffalo Ranch, sponsored by the C.S.U. Class advisors were elected from the faculty - Mrs. Clontz, Mrs. Graham and Mrs. Troutman. Temporary class officers, who were later given permanent duties elected for the Freshman year were President, Frances Cauble; Vice President, Doris Smith; Secretary, Linda King; Treasurer, Carolyn Midkiff; and Chaplain, Nancy Myers who held this office for three years. Our first big money-making project was the Halloween Carnival and Dance on October 18, 1957. It gave us the nest-egg so vitally needed for our treasury. To increase those funds, cake sales were held in the Hospital and hot dogs and doughnuts were sold in the Dorm to Upper-classmen. Later, in October, we were "capped" by our Director, Mrs. Pauline Ashley, and a Tea and Open House was given in honor of our parents.

The Glee Club, traditionally a Freshman organization, had "taken-hold" in the community and our nights of entertaining increased. We sang for the Cabarrus Bank at the Country Club, the B.P.W., District #6 of the NCSNA, Mt. Pleasant High School, the East Side Baptist Church, the First Presbyterian Church, and the Winecoff Lion's Club. Our "togetherness" was felt by each class mate. This feeling was expressed by our motto, "A class that prays together, stays together."

We attended our first Christmas Party and Dinner on December 16, 1957. It was at this party that we met our own "Santa Claus" - Dr. Paul Maulden. The Freshmen sponsored the Valentine Dance that was held on February 8, 1958. From June 15 to July 13, 1958, the class separated and each half enjoyed a much needed vacation.

In September, 1958 we had reached the first rung toward being upper-classmen. We welcomed the new class with a Pajama Party and later enjoyed another outing at Buffalo Ranch. We elected Miss Parker as Class Advisor and Mrs. Troutman as Honorary Advisor. Our class officers were President, June Lovin; Vice President, Shirley Bryant; Secretary, Shirley Grimes; Treasurer, Freida Morgan. We were Juniors, proudly displaying the blue bands that had been given us on September 1st. The State Convention was held in Durham in the Fall of that year and Mrs. Lovin and Miss King were elected to represent the Junior class. The Spaghetti Supper which we held on November 20, 1958 was such a success that we were asked to have another one in March. Billy Graham appeared at the Coliseum in Charlotte - most of us went to hear him.

On September 20, 1958, we lost our beloved honorary advisor, Mrs. Ruby Troutman, who was one of the first graduates of the Cabarrus Memorial School of Nursing and a member of the school faculty. Before her death, she requested that our class sing at the services - one of the hardest things we had to do. In memoriam, the Junior class gave a pediatric text book to the school library.

Happy times returned when our own Nancy Myers was elected Christmas Queen, and represented our class in the Kannapolis and Concord parades. Then, the Junior -Senior Banquet - we will never forget the millions of roses our own hands formed for the "Moonlight and Roses" theme. Making these roses was tenderly referred to as, "Corn Shucking" to keep the Seniors from learning our theme. The banquet was held on May 16th and we were pleased with its success.

In the Spring of 1959, our school joined with others to form the Student Nurse Association, District #2. Nancy Myers and June Lovin were elected to represent our class at the organizational meeting in Winston-Salem. Mrs. Ann Coley and Miss Connie Rhodes (Graduates 1958) were elected temporary Chairman and Secretary, respectively. The "kick-off" meeting was held here on February 12, 1959.

In July, the class had a picnic at Happy's Lake in Salisbury, North Carolina as a "farewell" for the coming 6 months separation. We took a two-weeks vacation and then one half the class went on affiliation to Dix Hill in Raleigh, and the other half returned to the school after 7 pleasant, eventful, unforgettable days at Kure's Beach in Wilmington, North Carolina.

In August we were invited to a tea given for the new graduates, that turned out to be a surprise - this was the day our blue bands were taken off and given to our little sisters, and those beautiful, black velvet bands were given to us to adorn our caps.

We were finally "dignified Seniors!" Our third slate of officers was elected: President, Patsy Blanchard; Vice President, Joyce Moser; Treasurer, June Lovin; Secretary, Nancy Selby. Also, the Annual Staff was elected: Editor, Becky Deaton; Assistant Editor, Joyce Moser; Business Manager, Linda King; Copy Editor, Kaye Miller. Each member of the class was given an important duty in the production of The Cap and Pin.

Again at Christmas, 1959 another class-mate won the title of Queen, and the honor of riding in the parade with Dr. Lewis Curlee went to Mrs. Lois Marlow. In March 1960, the school won the Basket Ball Tournament for the County - some of our class mates had played hard and long for this, especially, Joyce Moser, June Lovin, Linda King and Kaye Miller.

The Junior-Senior Banquet was held in OUR honor this year. The long-awaited day on August 15, preferably called commencement day and not graduation day by our Director, Mrs. Pauline Ashley, is around the corner. Our nursing careers are just commencing. We all sincerely pray that, with the help and guidance from our faculty and the Administrator, Miss Louise Harkey, our careers will prove a credit to our School - that "these hands of service" will be used solely for the purpose of helping mankind in our daily duties as proud bed-side nurses, graduates from the Cabarrus Memorial Hospital School of Nursing.

DEPARTURE

The sands of time have sifted,
Our days here are done.
And now we stop to measure
The course we have run.

We came with less than nothing,
A nurse to try to be,
Closed was the door before us,
But here we've found the key.

For three years we've toiled here,
And many things we've done,
The road was steep and rocky,
Each victory dearly won.

Today our goal has been achieved,
Our lives complete at last,
We dedicate our hearts to God . . ,
To Him may we hold fast.

As we depart, our challenge calls
To those who come behind.
May you prove worthy of the task
And in service, happiness find.
